

we're hosting SteelDay!
September 24, 2010

You're Invited to: Standard Supplies, Inc., Gaithersburg, MD

For our 2nd Annual SteelDay, we invite you to take a tour of our facility, meet our experienced staff, and get an up-close demonstration of our brand-new, state-of-the-art automated beam line machine!

We will also take a look at how today's construction professionals can reduce risks and manage costs during an open forum in our conference room. We hope to see you there!

About Standard Supplies:

Our Steel Division processes more than 4,000 tons of steel per year, is a market supplier of steel products and provides steel and erection services for commercial projects such as schools, churches, shopping centers and residential jobs. We specialize in structural steel fabrication and have a sales counter for customers to handle any steel need. Our experienced staff is extremely knowledgeable and can accommodate projects that are "out of the norm". We also provide project management services to ensure the project runs smoothly and take pride in delivering a quality product with a personal touch. We are AISC Certified and a Woman-Owned MBE.
